LINES OF PARADE WILL BE FORMED AT FIRST STREET

Preparations for Big Demonstration Friday Go Bravely on.

TIME RACES WILL BEGIN

Afternoon Events will Begin with the Bicycle Race at 2 O'clock.

Preparations go bravely on for the big Anniversary celebration to be held in Charleroi Friday, April 1, and the indications are that nothing but inauspicious weather will prevent the largest crowd that ever assembled in Charleroi from being present. J. J. Hott has been selected as chief of the big parade, and his aids will be named in tomorrow's issue of the Mail. All orders or lodges that will turn out in the parade are kindly requested to report to Mr. Hott before 9 o'clock Friday morning.

The parade will form on McKean avenue at First street, and will proceed down McKean to Ninth street; thence up Ninth to Fallowfield avenue; up Fallowfield to Sixth street; up Sixth to Washington avenue; up Washington to First street; down First to Fallowfield avenue; along Fallowfield to Sixth street; down Sixth to McKean avenue; up McKean to Fifth street, where the automobile hill climbing contest will start.

The bicycle race will start at McKean avenue and Third street. The course will be down McKean to Sixth street; up Sixth to Fallowfield avenue; up Fallowfield to Third street; down Third to starting point on McKean avenue. This event will take place at 2 o'clock, and all who desire to enter should leave their names with Adolph Beigel.

The mile foot race will start at 2:30 o'clock at the corner of Fifth street and McKean avenue. The course will be down McKean to Eighth street; up Eighth to Fallowfield avenue; up Fallowfield to Fifth street; down Fifth to starting point. All entries should be given to J. P. Rickey.

The 100-yard race will take place at Railroad Park on McKean avenue between Third and Fifth streets. All entries for this race should be left with Chas. S. Bateman.

The service test of the fire department of the valley towns will be pulled off on Fallowfield avenue at the corner of Sixth street at 3 o'clock. Chief J. M. Fleming will have charge of this part of the program.

The ball game, between picked teams of miners from the Charleroi Coal works and the Church League teams, will take place at the ball p ark at 4 o'clock.

Free shows at the Coyle and Star Theatres in the afternoon will also be leading features.

The competitive drill of the Charleroi Boys Brigade, the Monessen Cadets and the Monongahela Cadets will take place at 7:30 in the evening in Railroad Park. Capt. J. K. Hein, R. H. Rush and E. W. Hastings will officiate as judges.

At a meeting of the school board it was decided to close the schools at 10:30 on Friday. This will give the children time to get down town to see the parade and devote the balance of the day to pleasure. No one will be marked absent who reports in the morning for roll call. This action was most timely, as the hill climbing contest would be in progress about the time the hill schools were dismissed. The board felt that it was no more than right that the boys and girls should be given a chance to enjoy the exercises and acted accordingly.

All who desire to join in the parade with floats or other exhibits are cordially invited to take part. Those in charge are sanguine that with a fair day the crowd will break all records, and that will be "going some."

Well Known Man Dies at His Home

Thomas McGuire, 47 years old, died this morning at 5:30 o'clock at the home of his brother in-law, John J. Oates, 132 McKean avenue with whom he lived. The funeral services will be held at St. Jerome's Catholic church Friday morning at 8 o'clock with requiem high mass. Interment will be in Calvary cemetery. The deceased is survived by two brothers, James and John McGuire, both of Charleroi, and one sister, Mrs. John J. Oates. Mr. McGuire was born in Scotland. He has lived in Charleroi 15 years.

ONE BURGLAR THOUGHT TO BE WOUNDED

It is thought that one of two or more burglars who tried to enter the home of Mrs. Mary Shanks, at North Charleroi about midnight last night is seriously wounded, from a shot fired by Mrs. Shank's son, William.

A noise was heard by Mrs. Shanks at the corner of the house at about 11:40 o'clock and she awakened her son. He secured a revolver, and fired three shots at the marauders, who quickly made their departure. From the sounds he inferred that one was struck by one of the bullets.

Constable David Mathers and Murray Moss were called and put Mr. Mathers bloodhound on the trail. The dog followed out to the Bentleyville road, to the Maple Creek road, and then to Washington avenue, Charleroi, where the trail was lost.

APPEALS ON ASSESSMENTS

Some Reductions Made by County Commissioners in Charleroi.

After completing their court of appeals in Charleroi, County Commissioners W. J. Smith, Thomas Hill, and J. A. Berry have gone to Roscoe where they will hear appeals on assessments. There were a good many appeals heard in Charleroi, although the assessment made by Assessor Harvey Parsons was well equalized, and as good if not better than any other place in the county where appeals have been heard thus far.

Appeals were heard by the commissioners while here from six places, Charleroi, North Charleroi, Twilight and Speers boroughs, Fallowfield and Allen townships. There were a number of reductions made, but no more on an average than there were in other places.

The commissioners are entering upon their second week of the work on appeals. They will be out until about April 15. With them is their clerk C. D. Shultz. Assessor Harvey Parsons was complimented for his work in Charleroi, the assessment he made last fall being one of the best ever made in Charleroi.

WASHINGTON AND JEFFERSON BOYS PLEASE CHARLEROI

The Washintgon and Jefferson College Glee and Mandolin clubs made a big "hit," at their appearance at School Hall last night, and pleased a good sized audience. Both the glee and mandolin clubs were in the best of form, and the selections which they rendered were not only well selected but extremely well adapted to please those who attended.

The best selection of the glee club was probably "On the Sea," by Buck, although "A Man and a Maid," by Scott, was delightfully rendered. Every number brought a ready encore.

The mandolin clubs reality surpassed expectations. Their renditions of "Autumn Evening," Seigel, and "Happy Days," Levi, were esecially good.

The reader, S. C. Kerr, showed talent, and what is fully as valuable an asset, experience. His rendition of "Rossy's Letter" brought down the house. The only vocal soloist was Mr. McCarthy, and he took well. He has a baritone voice of good quality and rendered his selection in a pleasing manner.

Probably the most talented individual preformer of the entire evening was Guy Garrett, the leader of the mandolin club. Mr. Garrett played a banjo solo, "Overture to William Tell," and a mandolin solo, an adaptation with variations from "Annie Laurie." He did exceptionally well finished work. A quartet composed of Messrs. Trimble, Beatty, McCarthy and O'Connell furnished some harmony during the intermission between the first and second parts, and Joseph Franks, Charleroi's cornetist, appeared on the program.

Following the concert the members of the glee and mandolin clubs were entertained at the Bank of Charleroi Hall, where a dance and reception was held for them. The affair which was given under the auspices of the Charleroi Boys' Brigade, was well managed, and throughout a huge success. The members of the club left today for Uniontown, where they will give a concert tonight. Two Charleroi boys, Karl Keffer, Jr., and Harold Smith, are appearing with them.

LEADER OF HER CLASS

Miss Anna Rockwell Dies at Her Home—Was to Gradute This Year

Following a two weeks' illness of rheumatism and other complications, Miss Anna May Rockwell, 16 years and one month of age, and the leader of the senior class of the Charleroi High School, died at the home of her parents, Mr. and Mrs. Asa M. Rockwell, at North Charleroi last evening at 7 o'clock. Miss Rockwell had been out of school but two weeks, and only since last Friday had the illness seemed serious, it starting with the grip and developing into rheumatism and heart trouble. The funeral will be on Friday afternoon at 1 o'clock Interment to be in the Monongahela cemetery. Members of her class will act as pall-bearers

Anna was the youngest of seven sons and daughters of Mr. and Mrs. Asa M. Rockwell, and the first in the family to die. She is survived by her parents, four brothers and two sisters. The brothers are: Allen B., of Los Angeles; Irven S., of North Charleroi; Jasper S., of North Charleroi and Walter S. at home. The sisters are Mrs. Ralph Robinson of Fallowfield township, and Miss Mamie Rockwell at home.

Miss Rockwell was vice president of the senior class of High School, as well as the class leader, and was beginning preparations for the annual commencement, for which she was to be the valedictorian.

The entire High School, under Principal James R. Huston, Prof. George H. Cheeseman and Miss Mary Walters are expecting to attend the funeral in a body. The death is the first of any senior in the history of the Charleroi High School.

Miss Rockwell was a member of the Washington Avenue Presbyterian church here, and sang in the choir. Rev. G. G. Kerr, the pastor will have charge of the funeral.

The members of the High School class from which the pall bearers will be chosen are Misses Jessie Frye, Della Jacobs, Ethel Jackson, Mattie Kelley, Cecelia Teitelbaum, and Rosa Vetter, and Messrs. Norva Kistler, Kirk McLain, and John Martin.

CLERK'S UNIONS BEING ORGANIZED IN OTHER TOWNS

The Charleroi Retail Clerks Union is anticipating holding a celebration here on next Thursday week, at which the newly formed Monongahela clerks' union will likely attend in a body. The affair will be for the purpose of bringing the clerks together from various places of the valley. In all probability there will be clerks from Monessen and other places invited.

The Monongahela clerks recently organized a union, and are now on a good working basis. The movement there was headed by Ed. Baker, an organizer, who has been in this vicinity for sometime, making his headquarters in Charleroi.

Efforts are to be begun shortly for the forming of unions in Brownsville California, Belle Vernon, Donora, and Monessen. Monessen will in all probability be the last place, but the sentiment among the clerks for an organization is said to be favorable there. Charleroi was the first town in this valley south of the suburbs of Pittsburg, where a Retail Clerks union was formed, and it has thus far been very succesful.

Will Give Special Prizes.

Adolph Beigel, who has charge of the bicycle race here at the Anniversary celebration Friday, will give some special prizes to the winners. They will be announcned later on.

Notice.

Orders received at 322 Fallowfield avenue for movings. 187t4

MOVE FOR STANDARD OF WEIGHTS AND MEASURES

Seeks Damages of North Charleroi

Mrs. Mary E. Sellars has presented a petition to court praying for the appointment of viewers to assess damages occasioned to her property on Lincoln avenue, North Charleroi, by reason of the change of grade. The following panel was submitted by the court from which jurors will be selected on April 1: William Shannon, Jesse Carson, Stephen Colvin, W. A. Gibson, Julian Grable, John K. Mancha, Fallowfield township; Kerfoot W. Daly, F. P. McCloskey, M. Wells. John W. Berryman, Charleroi; Charles Potter, Clyde T. Lewis, Paul Mullin, Donora; John B. Myers, California; Tom P. Sloan, North Charleroi.

BIG THINGS PLANNED FOR JULY FOURTH

In the midst of the preparation for the big Anniversary celebration in Charleroi on Friday of this week, has loomed up the possibility and feasbiilty of holdiing another demonstration on July Fourth. The plan has been quietly talked of for some time, but it remained for the first action to be taken by council, in appointing Burgess G. W. Risbeck a committee of one to consult with the merchants in regard to the holding of a celebration here. In addition to the appointing of Mr. Risbeck a committee for this purpose, council drafted a resolution regarding the patriotic observance of the Fourth, in which they regulate the use of explosives. The resolution is as follows:

"We, the members of council, are heartily in favor of any sentiment for the safe and sane celebration of the Fourth of July in Charleroi, and will endorse and aid in any reasonable plans which may be formulated for the purpose of patriotiegally celebrating the day. As council, we will act in conjunction with Burgess George W. Risbeck in the enforcement of laws regarding the discharge of firearms, or the use of other dangerous explosives prohibited by State and borough statutes on that day."

Charleroi has not had a Fourth of July celebration for several years, and the lack of something extra on that day to entertain home people has been the occasion of a dead town in past years.

"JIM DANDY" SHOW AT COYLE THEATER

Too much cannot be said of the cleverness of those two real comedians Crawford and Meeker, who headline the bill at the Coyle Theatre for the last three days of this week, coming direct as they do from the big towns. With new parodies and latest jokes they are certain to be one of the most talked of acts that has ever played the Independent circuit.

Among the other acts is one that deserves special mention and who sang with Caruso in the Metropolitan Opera company in New York City for two years, is DeAngelo, the great Italian tenor.

Mr. Penman deires to announce that beginning next Monday there will be the usual matinee every day at 2:30 and will continue throughout the entire summer months.

Ordinance May be Prepared by Council in Near Future

MUCH NEEDED REGULATION

Pittsburg and McKeesport Only Two Cities in State With Good System

In all probability the Charleroi council will in a short time take up the matter of an ordinance regulating the weights and measures to be used in this borough. At the present time apparently there is no standard, and it is stated many weights and measures are off standard, so that the people suffer at the hands of many dealers. The merchants themselves may not be altogether aware of the deficiency, owing to the lack of any test.

Two years ago Councilman C. O. Frye raised the qhestion at a meeting of council, and the ordinance committee was instructed to have an ordinance prepared. For some reason, however, there never has been such a statute presented to council, and the matter was allowed to drop. Now it is possible it will be taken up again.

The ordinance which would, it is thought, prove most suitable would be one to provide for the inspection of all the weights and measures owned by storekeepers in the borough, and if meeting the requirements, so marked plainly, that people may be certain they are not being cheated when making purchases.

As far as is known there are no other markets in the State of Pennsylvania outside of Pittsburg and McKeesport, where uniform weights and measures have been adopted. The U. S. government has adopted a uniform system, but in the different States all varieties and measures are used, according to the fancy of each State.

DUNLEVY COUPLE MARRIED AT HOME

Miss Florence Urwin and Thomas Grey, both of Dunlevy were married last night at the home of Mr. and Mrs. Alexander Grey at Dunlevy at 7:30 o'clock, the affair being attended by about 60 invited guests. The ceremony was preformed by Rev. L. E. Miller, pastor of the Monessen United Brethren church, assisted by Rev. S. M. Johnston, of the Dunlevy United Brethren church. A reception was tendered the couple immediately after the ceremony, and a dinner was served.

The couple will reside in Dunlevy, where they have a house already furnished. They are both well known and popular young people, and numerous costly presents were presented the couple by their friends. In the guest list were many people from out of town, Brownvsille, Charleroi, Donora, Belle Vernon, Pittsburg, and other places.

Surprise Party.

Miss Ada Arnold was tendered a surprise party at her home on McKean avenue last night by a party of friends from Charleroi and other places, numbering about 40. A pleasant evening was spent with various social diversions. Many were present from out-of-town, guests coming from Brownsville, Monessen, Belle Vernon, and other nearby towns.

Political Announcements

FOR CONGRESS

JOHN K. TENER

OF CHARLEROI

Subject to the Decision of the Republican Voters of the Twenty-Fourth District at the Primaries June 4

Compounding a Felony.

No later than last week former Congressman E. F. Acheson, through the columns of the Washington Reporter, again reiterated the charge that 346 fraudulent votes were cast in Charleroi at the April primary, when Congressman John K. Tener overwhelmed Mr. Acheson for the Republican nomination in this district. While the repetition of this base libel upon the good people of Charleroi carries no weight in the direction it is intended, it goes to show to what ends some people will resort in order to give vent to the venom of their spleen. As a matter of fact these base charges against Charleroi are the best kind of campaign thunder for Congressman Tener.

If Mr. Acheson has positive knowledge of one fraudulent vote cast in Charleroi, he has sufficient evidence to make an exemplary example of those who are alleged to violate the election laws. If he knows of 346 fraudulent voters in Charleroi, as he professes, he has sufficient cause to pull the props from under and let the sky fall, as did Capt. John F. Klein in the councilmanic bribery cases in Pittsburg. If with all this evidence Mr. Acheson remains quiescent, he is compounding a felony, or a misdemeanor, or whatever offense the law designates such violations. Three hundred and forty-six counts should be sufficent evidence for action. With this mass of evidence of political corruption Mr. Acheson is recreant to his duty as a citizen if he takes no action. In the face of oft repeated charges the people would like to be shown.

Popular Sovereignty.

While perhaps his work is not satisfactory to all, the fact that the county commissioners highly complimented Assessor Harvey F. Parsons for the fair and equitable manner in which he made the triennial assessment for Charleroi, and the accuracy and good judgment displayed in fixing valuations, is another evidence that the municipal government of the town is in safe hands. This, with the conscientious work of the borough council, the school board, the police force and the vigilance and activity of the health officials, goes to show that the Magic City is a good town in which to live.

These conditions do not imply that Charleroi is an Utopia by any means, or that mistakes and errors of judgment have not been made from time to time, and that there is not room for improvement always, the same as in all other mundane affairs. Charleroi, however, is essentially a town of the people. The majority elects officials, and public sentiment, which is a healthy and progressive one, has a marked influence in the conduct of public affairs. The town is more orderly and better governed than a majority of towns of its size, when similar conditions are considered. The late assessment, which the people feel was conscientiously made without any attempt at favoritism or preference, is but one of many indications that popular sovereignty is supreme here.

Why Pennsylvania is Great.

In the face of the constant outcry because manufacturing corporations in Pennsylvania are not taxed upon the capital actually engaged exclusively in manufacturing, it should be realized that it is this very thing that has made Pennsylvania great industrially. This Commonwealth is notable among the States for this exemption, to which is credited its steady and substantial growth. The object of the exemption was the encouragement of manufactures. The policy has justified itself. Figures are unnecessary; the facts are apparent. The Grange itself acknowledges "the enormous growth of personal and corporate property" which has followed the change in the financial policy of the State. Yet it was proposed to the last Assembly to reverse the policy which so enormously increased the wealth of the State, and with it necessarily the population, and the value of its lands; all this in face of the fact that tax experts, the Union over, commend the Pennsylvania policy, and advise their own States to follow her lead.

Manufacturing corportions are taxed on the real estate they own, but no penalty is imposed for being progressive. When manufacturing capital is taxed, investors prefer to accept a low rate of interest in other investments rather than assume the business risks that go with manufacturing. Money seeking investment follows along the lines that offer the least forms of resistance.

ELECTRIC SPARKS

Actor folks seem to be more interested in criticisms of the work they than Andrew Carnegie does of the praise he gets for giving libraries.

If any fellow chokes that Mt. Etna volcano, an earthquake may result, says a noted scientist. If not the volcano will break out again. It's merely a choice between the two evils.

Very Likely an Error.

If the Times of Lima did not have a typographical error in the Lafayette farmers' institute article Monday, that paper must have predicted a worse affair for that village than was had at Beaver Dam a few weeks ago when voting on the bond issue. The heading read like this, "Farmers' Institute to be held at Lafayette this week."—Crldersville Review.

It is stated by the Washington Post that the most expensive watch in the world is that kept on Germany by Great Britain.

Modesty states that when talking about one's self it's always better to understate than to exaggerate. For that reason, it may be supposed, so many women say they are 20 when they are 35 and 40 years old.

Charleroi has until November 1 to prepare plans for a sewage disposal plant. After that time they will be given a certain time in which to build it. Wonder if the payment for the affair will follow along in the same order?

After Friday there need be no doubt about which automobile can climb Fifth street the best.

The farmers have to tell all about their affairs when the census enumerator comes around, even to the number of eggs laid in a given time. It's a wonder the department doesn't want him to state the number of bees he maintains on his farm.

Amercia wouldn't be America if some fellow wasn't continually discovering cause for a war scare.

Capt. "Johnny" Klein's confession should have the effect of throwing a scare into former Congressman E. F. Acheson. One of these days some one will pull the props out from under and reveal the former Congressman's relations with the saloons and breweries, which used to furnish the sinews of war for his political campaign.

TALKING ABOUT US

The city of Charleroi has reached its 20th zenith. WOMEN'S WOES

Charleroi Women are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity: they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. William Stoop, 214 Second Street, Charleroi, Pa., says: "I have used Doan's Kidney Pills off and on for five years and consider them to be unequaled for kidney disease. I suffered for some time from backache and was also subject to headaches and dizzy spells. The kidney secretions were scanty and often contained a sediment. Doan's Kidney Pills finally brought to my attention and procuring a box at Piper Bros'. Drug Store, I began their use. They benefitted me greatly and I have since kept a supply on hand". For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents of the United States.

Why does Great Britian buy its oatmeal of us?

Certainly it seems like carrying coals to Newcastle to speak of exporting oatmeal to Scotland and yet, every year the Quaker Oats Company sends hundreds of thousands of cases of Quaker Oats to Great Britian and Europe.

The reason is simple; while the English and Scotch have for centuries eaten oatmeal in quantities and with a regularity that has made them the most rugged physically, and active mentally of all people, the American has been eating oatmeal and trying all the time to improve the methods of manufacture so that he might get that desirable foreign trade.

How well he has succeeded would be seen at a glance at the export reports on Quaker Oats. This brand is without a rival; is packed in regular 10c packages, and in large size family packages at 25c. 51

ADVICE TO WOMEN

A Message from a Famous Beauty Specialist to Women Lacking in Energy and Vitality.

Thousands of women vainly attempt to improve their complexion and to remove blackheads, crows' feet and other blemishes, through the use of cosmetics. This treatment fails because the trobule lies far deeper than the skin. They are suffering from impure and impoverished blood. This condition is in many cases due to a catarrhal condition of the whole system which finds its expression in sallow, muddy complexion, dark-circled eyes, general weakness of the system, and perhaps most plainly in the weeping of mucous membranes that is commonly called catarrh.

In fact this whole tendency is, properly speaking, Catarrh. Banish this catarrh, and the complexion will clear as if by magic, eyes will brighten, faces become rosy and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through one certain treatment—that which will cure catarrh.

Mme. Swift, New York, the famous beauty specialist known throughout the world and an accepted authority on all relating thereto, states that the one positive and permanent relief for catarrh is Rexall Mucu-Tone. Here is her letter:

"I can strongly endorse the claims made for Rexall Mucu-Tone as a cure for systemic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Rexall Mucu-Tone, they will praise as I do its strengthening and healing quailties."

Rexall Mucu-Tone works through the blood, acting thus upon the mucous cells—the congestion an inflamation of which causes local catarrh. Ths remedy causes poison to be expelled from the system, and the blood is purified and revitalized Thus the natural functions of the mucous cells are restored, and the membranes are cleansed and made strong. We know that Rexal Mucu-Tone does relieve catarrh. We positively guarantee to refund the money paid us for this remedy in every case where the user is dissatisfied. It is a builder of vigorous health and a creator of good complexions. Price 50 cents and $1.00 per bottle. Mail orders filled. It may be obtained only at our store. —The Rexall Store. John W. THE CHARLEROI MAIL

Entered second class mail at Charleroi, June 15, 1900, according to Act of Congress of March 3 1879

VOL. X. NO. 189. CHARLEROI, WASHINGTON CO., PA., WEDNESDAY, MARCH 30, 1910. One Cent

LINES OF PARADE WILL BE FORMED AT FIRST STREET

Preparations for Big Demonstration Friday Go Bravely on.

TIME RACES WILL BEGIN

Afternoon Events will Begin with the Bicycle Race at 2 O'clock.

Preparations go bravely on for the big Anniversary celebration to be held in Charleroi Friday, April 1, and the indications are that nothing but inauspicious weather will prevent the largest crowd that ever assembled in Charleroi from being present. J. J. Hott has been selected as chief of the big parade, and his aids will be named in tomorrow's issue of the Mail. All orders or lodges that will turn out in the parade are kindly requested to report to Mr. Hott before 9 o'clock Friday morning.

The parade will form on McKean avenue at First street, and will proceed down McKean to Ninth street; thence up Ninth to Fallowfield avenue; up Fallowfield to Sixth street; up Sixth to Washington avenue; up Washington to First street; down First to Fallowfield avenue; along Fallowfield to Sixth street; down Sixth to McKean avenue; up McKean to Fifth street. where the automobile hill climbing contest will start.

The bicycle race will start at McKean avenue and Third street. The course will be down McKean to Sixth street; up Sixth to Fallowfield avenue; up Fallowfield to Third street; down Third to starting point on McKean avenue. This event will take place at 2 o'clock, and all who desire to enter should leave their names with Adolph Beigel.

The mile foot race will start at 2:30 o'clock at the corner of Fifth street and McKean avenue. The course will be down McKean to Eighth street; up Eighth to Fallowfield avenue; up Fallowfield to Fifth street; down Fifth to starting point. All entries should be given to J. P. Rickey.

The 100-yard race will take place at Railroad Park on McKean avenue between Third and Fifth streets. All entries for this race should be left with Chas. S. Bateman.

The service test of the fire department of the valley towns will be pulled off on Fallowfield avenue at the corner of Sixth street at 3 o'clock. Chief J. M. Fleming will have charge of this part of the program.

The ball game, between picked teams of miners from the Charleroi Coal works and the Church League teams, will take place at the ball p ark at 4 o'clock.

Free shows at the Coyle and Star Theatres in the afternoon will also be leading features.

The competitive drill of the Charleroi Boys Brigade, the Monessen Cadets and the Monongahela Cadets will take place at 7:30 in the evening in Railroad Park. Capt. J. K. Hein. R. H. Rush and E. W. Hastings will officiate as judges.

At a meeting of the school board it was decided to close the schools at 10:30 on Friday. This will give the children time to get down town to see the parade and devote the balance of the day to pleasure. No one will be marked absent who reports in the morning for roll call. This action was most timely, as the hill climbing contest would be in progress about the time the hill schools were dismissed. The board felt that it was no more than right that the boys and girls should be given a chance to enjoy the exercises and acted accordingly.

All who desire to join in the parade with floats or other exhibits are cordially invited to take part. Those in charge are sanguine that with a fair day the crowd will break all records, and that will be "going some."

Well Known Man Dies at His Home

Thomas McGuire, 47 years old, died this morning at 5:30 o'clock at the home of his brother in-law, John J. Oates, 132 McKean avenue with whom he lived. The funeral services will be held at St. Jerome's Catholic church Friday morning at 8 o'clock with requiem high mass. Interment will be in Calvary cemetery. The deceased is survived by two brothers, James and John McGuire, both of Charleroi, and one sister, Mrs. John J. Oates. Mr. McGuire was born in Scotland. He has lived in Charleroi 15 years.

ONE BURGLAR THOUGHT TO BE WOUNDED

It is thought that one of two or more burglars who tried to enter the home of Mrs. Mary Shanks, at North Charleroi about midnight last night is seriously wounded, from a shot fired by Mrs. Shank's son, William.

A noise was heard by Mrs. Shanks at the corner of the house at about 11:40 o'clock and she awakened her son. He secured a revolver, and fired three shots at the marauders, who quickly made their departure. From the sounds he inferred that one was struck by one of the bullets.

Constable David Mathers and Murray Moss were called and put Mr. Mathers bloodhound on the trail. The dog followed out to the Bentleyville road, to the Maple Creek road, and then to Washington avenue, Charleroi, where the trail was lost.

APPEALS ON ASSESSMENTS

Some Reductions Made by County Commissioners in Charleroi.

After completing their court of appeals in Charleroi, County Commissioners W. J. Smith, Thomas Hill, and J. A. Berry have gone to Roscoe where they will hear appeals on assessments. There were a good many appeals heard in Charleroi, although the assessment made by Assessor Harvey Parsons was well equalized, and as good if not better than any other place in the county where appeals have been heard thus far.

Appeals were heard by the commissioners while here from six places, Charleroi, North Charleroi, Twilight and Speers boroughs, Fallowfield and Allen townships. There were a number of reductions made, but no more on an average than there were in other places.

The commissioners are entering upon their second week of the work on appeals. They will be out until about April 15. With them is their clerk C. D. Shultz. Assessor Harvey Parsons was complimented for his work in Charleroi, the assessment he made last fall being one of the best ever made in Charleroi.

WASHINGTON AND JEFFERSON BOYS PLEASE CHARLEROI

The Washington and Jefferson College Glee and Mandolin clubs made a big "hit," at their appearance at School Hall last night, and pleased a good sized audience. Both the glee and mandolin clubs were in the best of form, and the selections which they rendered were not only well selected but extremely well adapted to please those who attended.

The best selection of the glee club was probably "On the Sea," by Buck, although "A Man and a Maid," by Scott, was delightfully rendered. Every number brouhgt a ready encore.

The mandolin clubs reality surpassed expectations. Their renditions of "Autumn Evening," Seigel, and "Happy Days," Levi, were esecially good.

The reader, S. C. Kerr, showed talent, and what is fully as valuable an asset, experience. His rendition of "Rossy's Letter" brought down the house. The only vocal soloist was Mr. McCarthy, and he took well. He has a baritone voice of good quality and rendered his selection in a pleasing manner.

Probably the most talented individual preformer of the entire evening was Guy Garrett, the leader of the mandolin club. Mr. Garrett played a banjo solo, "Overture to William Tell," and a mandolin solo, an adaptation with variations from "Annie Laurie." He did exceptionally well finished work. A quartet composed of Messrs. Trimble, Beatty, McCarthy and O'Connell furnished some harmony during the intermission between the first and second parts, and Joseph Franks, Charleroi's cornetist, appeared on the program.

Following the concert the members of the glee and mandolin clubs were entertained at the Bank of Charleroi Hall, where a dance and reception was held for them. The affair which was given under the auspices of the Charleroi Boys' Brigade, was well managed, and throughout a huge success. The members of the club left today for Uniontown, where they will give a concert tonight. Two Charleroi boys, Karl Keffer, Jr., and Harold Smith, are appearing with them.

LEADER OF HER CLASS

Miss Anna Rockwell Dies at Her Home—Was to Gradute This Year

Following a two weeks' illness of rheumatism and other complications, Miss Anna May Rockwell, 16 years and one month of age, and the leader of the senior class of the Charleroi High School, died at the home of her parents, Mr. and Mrs. Asa M. Rockwell, at North Charleroi last evening at 7 o'clock. Miss Rockwell had been out of school but two weeks, and only since last Friday had the illness seemed serious, it starting with the grip and developing into rheumatism and heart trouble. The funeral will be on Friday afternoon at 1 o'clock Interment to be in the Monongahela cemetery. Members of her class will act as pall-bearers

Anna was the youngest of seven sons and daughters of Mr. and Mrs. Asa M. Rockwell, and the first in the family to die. She is survived by her parents, four brothers and two sisters. The brothers are: Allen B., of Los Angeles; Irven S., of North Charleroi; Jasper S., of North Charleroi and Walter S, at home. The sisters are Mrs. Ralph Robinson of Fallowfield township, and Miss Mamie Rockwell at home.

Miss Rockwell was vice president of the senior class of High School, as well as the class leader, and was beginning preparations for the annual commencement, for which she was to be the valedictorian.

The entire High School, under Principal James R. Huston, Prof. George H. Cheeseman and Miss Mary Walters are expecting to attend the funeral in a body. The death is the first of any senior in the history of the Charleroi High School.

Miss Rockwell was a member of the Washington Avenue Presbyterian church here, and sang in the choir. Rev. G. G. Kerr, the pastor will have charge of the funeral.

The members of the High School class from which the pall bearers will be chosen are Misses Jessie Frye, Della Jacobs, Ethel Jackson, Mattie Kelley, Cecelia Teitelbaum, and Rosa Vetter, and Messrs. Norva Kistler, Kirk McLain, and John Martin.

CLERK'S UNIONS BEING ORGANIZED IN OTHER TOWNS

The Charleroi Retail Clerks Union is anticipating holding a celebration here on next Thursday week, at which the newly formed Monongahela clerks' union will likely attend in a body. The affair will be for the purpose of bringing the clerks together from various places of the valley. In all probability there will be clerks from Monessen and other places invited.

The Monongahela clerks recently organized a union, and are now on a good working basis. The movement there was headed by Ed. Baker, an organizer, who has been in this vicinity for sometime, making his headquarters in Charleroi.

Efforts are to be begun shortly for the forming of unions in Brownsville California, Belle Vernon, Donora, and Monessen. Monessen will in all probability be the last place, but the sentiment among the clerks for an organization is said to be favorable there. Charleroi was the first town in this valley south of the suburbs of Pittsburg, where a Retail Clerks union was formed, and it has thus far been very succesful.

Will Give Special Prizes.

Adolph Beigel, who has charge of the bicycle race here at the Anniversary celebration Friday, will give some special prizes to the winners. They will be announcned later on.

MOVE FOR STANDARD OF WEIGHTS AND MEASURES

Ordinance May be Prepared by Council in Near Future

MUCH NEEDED REGULATION

Pittsburg and McKeesport Only Two Cities in State With Good System

In all probability the Charleroi council will in a short time take up the matter of an ordinance regulating the weights and measures to be used in this borough. At the present time apparently there is no standard, and it is stated many weights and measures are off standard, so that the people suffer at the hands of many dealers. The merchants themselves may not be altogether aware of the deficiency, owing to the lack of any test.

Two years ago Councilman C. O. Frye raised the qhestion at a meeting of council, and the ordinance committee was instructed to have an ordinance prepared. For some reason, however, there never has been such a statute presented to council, and the matter was allowed to drop. Now it is possible it will be taken up again.

The ordinance which would, it is thought, prove most suitable would be one to provide for the inspection of all the weights and measures owned by storekeepers in the borough, and if meeting the requirements, so marked plainly, that people may be certain they are not being cheated when making purchases.

As far as is known there are no other markets in the State of Pennsylvania outside of Pittsburg and McKeesport, where uniform weights and measures have been adopted. The U. S. government has adopted a uniform system, but in the different States all varieties and measures are used, according to the fancy of each State.

Seeks Damages of North Charleroi

Mrs. Mary E. Sellars has presented a petition to court praying for the appointment of viewers to assess damages occasioned to her property on Lincoln avenue, North Charleroi, by reason of the change of grade. The following panel was submitted by the court from which jurors will be selected on April 1: William Shannon, Jesse Carson, Stephen Colvin, W. A. Gibson, Julian Grable, John K. Mancha, Fallowfield township; Kerfoot W. Daly, F. P. McCloskey, M. Wells. John W. Berryman, Charleroi; Charles Potter, Clyde T. Lewis, Paul Mullin, Donora; John B. Myers, California; Tom P. Sloan, North Charleroi.

BIG THINGS PLANNED FOR JULY FOURTH

In the midst of the preparation for the big Anniversary celebration in Charleroi on Friday of this week, has loomed up the possibility and feasbility of holdiing another demonstration on July Fourth. The plan has been quietly talked of for some time, but it remained for the first action to be taken by council, in appointing Burgess G. W. Risbeck a commitee of one to consult with the merchants in regard to the holding of a celebration here. In addition to the appointing of Mr. Risbeck a committee for this purpose, council drafted a resolution regarding the patriotic observance of the Fourth, in which they regulate the use of explosives. The resolution is as follows:

"We, the members of council, are heartily in favor of any sentiment for the safe and sane celebration of the Fourth of July in Charleroi, and will endorse and aid in any reasonable plans which may be formulated for the purpose of patriotically celebrating the day. As council, we will act in conjunction with Burgess George W. Risbeck in the enforcement of laws regarding the discharge of firearms, or the use of other dangerous explosives prohibited by State and borough statutes on that day."

Charleroi has not had a Fourth of July celebration for several years, and the lack of something extra on that day to entertain home people has been the occasion of a dead town in past years.

"JIM DANDY" SHOW AT COYLE THEATER

Too much cannot be said of the cleverness of those two real comedians Crawford and Meeker, who headline the bill at the Coyle Theatre for the last three days of this week, coming direct as they do from the big towns. With new parodies and latest jokes they are certain to be one of the most talked of acts that has ever played the Independent circuit.

Among the other acts is one that deserves special mention and who sang with Caruso in the Metropolitan Opera company in New York City for two years, is DeAngelo, the great Italian tenor.

Mr. Penman deires to announce that beginning next Monday there will be the usual matinee every day at 2:30 and will continue throughout the entire summer months.

DUNLEVY COUPLE MARRIED AT HOME

Miss Florence Urwin and Thomas Grey, both of Dunlevy were married last night at the home of Mr. and Mrs. Alexander Grey at Dunlevy at 7:30 o'clock, the affair being attended by about 60 invited guests. The ceremony was preformed by Rev. L. E. Miller, pastor of the Monessen United Brethren church, assisted by Rev. S. M. Johnston, of the Dunlevy United Brethren church. A reception was tendered the couple immediately after the ceremony, and a dinner was served.

The couple will reside in Dunlevy, where they have a house already furnished. They are both well known and popular young people, and numerous costly presents were presented the couple by their friends. In the guest list were many people from out of town, Brownsville, Charleroi, Donora, Belle Vernon, Pittsburg, and other places.

Surprise Party.

Miss Ada Arnold was tendered a surprise party at her home on McKean avenue last night by a party of friends from Charleroi and other places, numbering about 40. A pleasant evening was spent with various social diversions. Many were present from out-of-town, guests coming from Brownsville, Monessen, Belle Vernon, and other nearby towns.

Political Announcements

FOR CONGRESS

JOHN K. TENER

OF CHARLEROI

Subject to the Decision of the Republican Voters of the Twenty-Fourth District at the Primaries June 4

Compounding a Felony.

No later than last week former Congressman E. F. Acheson, through the columns of the Washington Reporter, again reiterated the charge that 346 fraudulent votes were cast in Charleroi at the April primary, when Congressman John K. Tener overwhelmed Mr. Acheson for the Republican nomination in this district. While the repetition of this base libel upon the good people of Charleroi carries no weight in the direction it is intended, it goes to show to what ends some people will resort in order to give vent to the venom of their spleen. As a matter of fact these base charges against Charleroi are the best kind of campaign thunder for Congressman Tener.

If Mr. Acheson has positive knowledge of one fraudulent vote cast in Charleroi, he has sufficient evidence to make an exemplary example of those who are alleged to violate the election laws. If he knows of 346 fraudulent voters in Charleroi, as he professes, he has sufficient cause to pull the props from under and let the sky fall, as did Capt. John F. Klein in the councilmanic bribery cases in Pittsburg. If with all this evidence Mr. Acheson remains quiescent, he is compounding a felony, or a misdemeanor, or whatever offense the law designates such violations. Three hundred and forty-six counts should be sufficent evidence for action. With this mass of evidence of political corruption Mr. Acheson is recreant to his duty as a citizen if he takes no action. In the face of oft-repeated charges the people would like to be shown.

Popular Sovereignty.

While perhaps his work is not satisfactory to all, the fact that the county commissioners highly complimented Assessor Harvey F. Parsons for the fair and equitable manner in which he made the triennial assessment for Charleroi, and the accuracy and good judgment displayed in fixing valuations, is another evidence that the municipal government of the town is in safe hands. This, with the conscientious work of the borough council, the school board, the police force and the vigilance and activity of the health officials, goes to show that the Magic City is a good town in which to live.

These conditions do not imply that Charleroi is an Utopia by any means, or that mistakes and errors of judgment have not been made from time to time, and that there is not room for improvement always, the same as in all other mundane affairs. Charleroi, however, is essentially a town of the people. The majority elects officials, and public sentiment, which is a healthy and progressive one, has a marked influence in the conduct of public affairs. The town is more orderly and better governed than a majority of towns of its size, when similar conditions are considered. The late assessment, which the people feel was conscientiously made without any attempt at favoritism or preference, is but one of many indications that popular sovereignty is supreme here.

Why Pennsylvania is Great.

In the face of the constant outcry because manufacturing corporations in Pennsylvania are not taxed upon the capital actually engaged exclusively in manufacturing, it should be realized that it is this very thing that has made Pennsylvania great industrially. This Commonwealth is notable among the States for this exemption, to which is credited its steady and substantial growth. The object of the exemption was the encouragement of manufactures. The policy has justified itself. Figures are unnecessary; the facts are apparent. The Grange itself acknowledges "the enormous growth of personal and corporate property" which has followed the change in the financial policy of the State. Yet it was proposed to the last Assembly to reverse the policy which so enormously increased the wealth of the State, and with it necessarily the population, and the value of its lands; all this in face of the fact that tax experts, the Union over, commend the Pennsylvania policy, and advise their own States to follow her lead.

Manufacturing corportions are taxed on the real estate they own, but no penalty is imposed for being progressive. When manufacturing capital is taxed, investors prefer to accept a low rate of interest in other investments rather than assume the business risks that go with manufacturing. Money seeking investment follows along the lines that offer the least forms of resistance.

ELECTRIC SPARKS

Very Likely an Error.

If the Times of Lima did not have a typographical error in the Lafayette farmers' institute article Monday, that paper must have predicted a worse affair for that village than was had at Beaver Dam a few weeks ago when voting on the bond issue. The heading read like this, "Farmers' Institute to be held at Lafayette this week."—Crldersville Review.

Modesty states that when talking about one's self it's always better to understate than to exaggerate. For that reason, it may be supposed, so many women say they are 20 when they are 35 and 40 years old.

Charleroi has until November 1 to prepare plans for a sewage disposal plant. After that time they will be given a certain time in which to build it. Wonder if the payment for the affair will follow along in the same order?

After Friday there need be no doubt about which automobile can climb Fifth street-the best.

The farmers have to tell all about their affairs when the census enumerator comes around, even to the number of eggs laid in a given time. It's a wonder the department doesn't want him to state the number of bees he maintains on his farm.

Capt. "Johnny" Klein's confession should have the effect of throwing a scare into former Congressman E. F. Acheson. One of these days some one will pull the props out from under and reveal the former Congressman's relations with the saloons and breweries, which used to furnish the sinews of war for his political campaign.

TALKING ABOUT US

The city of Charleroi has reached its 20th zenith. The enterprising citizens are planning a monstrous celebration to take place April 1st, in commemoration of the occasion and the outside world is invited to come to the "Magic City" and participate in one of the most rousing celebrations ever held in the Monongahela valley.—Monessen Independent.

The 20th anniversary of the founding of Charleroi will be celebrated by the Charleroi people on the first day of April. A committee is at present working on the project, and promises a program of unusual merit. Special features, which should prove to be big drawing cards will be among the events scheduled.—Monongahela Times.

WOMEN'S WOES

Charleroi Women are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity: they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. William Stoop, 214 Second Street, Charleroi, Pa., says: "I have used Doan's Kidney Pills off and on for five years and consider them to be unequaled for kidney disease. I suffered for some time from backache and was also subject to headaches and dizzy spells. The kidney secretions were scanty and often contained a sediment. Doan's Kidney Pills finally brought to my attention and procuring a box at Piper Bros'. Drug Store, I began their use. They benefitted me greatly and I have since kept a supply on hand". For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents of the United States.

Why don't YOU try one?

Why does Great Britian buy its oatmeal of us?

Certainly it seems like carrying coals to Newcastle to speak of exporting oatmeal to Scotland and yet, every year the Quaker Oats Company sends hundreds of thousands of cases of Quaker Oats to Great Britian and Europe.

The reason is simple; while the English and Scotch have for centuries eaten oatmeal in quantities and with a regularity that has made them the most rugged physically, and active mentally of all people, the American has been eating oatmeal and trying all the time to improve the methods of manufacture so that he might get that desirable foreign trade.

How well he has succeeded would be seen at a glance at the export reports on Quaker Oats. This brand is without a rival; is packed in regular 10c packages, and in large size family packages at 25c. 51

ADVICE TO WOMEN

A Message from a Famous Beauty Specialist to Women Lacking in Energy and Vitality.

Thousands of women vainly attempt to improve their complexion and to remove blackheads, crows' feet and other blemishes, through the use of cosmetics. This treatment fails because the trobule lies far deeper than the skin. They are suffering from impure and impoverished blood. This condition is in many cases due to a catarrhal condition of the whole system which finds its expression in sallow, muddy complexion, dark-circled eyes, general weaness of the system, and perhaps most plainly in the weeping of mucous membranes that is commonly called catarrh.

In fact this whole tendency is, properly speaking, Catarrh. Banish this catarrh, and the complexion will clear as if by magic, eyes will brighten, faces become rosy and shoulders erect. Perfect beauty goes only with perfect health, and perfect health for women can only be obtained through one certain treatment—that which will cure catarrh.

Mme. Swift, New York, the famous beauty specialist known throughout the world and an accepted authority on all relating thereto, states that the one positive and permanent relief for catarrh is Rexall Mucu-Tone. Here is her letter:

"I can strongly endorse the claims made for Rexall Mucu-Tone as a cure for systemic catarrh. Its tonic effects are remarkable. It builds up the strength and restores vitality. If women who are tired and run down, lacking in energy and vitality, will use Rexall Mucu-Tone, they will praise as I do its strengthening and healing quailties."

Rexall Mucu-Tone works through the blood, acting thus upon the mucous cells—the congestion an inflamation of which causes local catarrh. Ths remedy causes poison to be expelled from the system, and the blood is purified and revitalized. Thus the natural functions of the mucous cells are restored, and the membranes are cleansed and made strong. We know that Rexal Mucu-Tone does relieve catarrh. We positively guarantee to refund the money paid us for this remedy in every case where the user is dissatisfied. It is a builder of vigorous health and a creator of good complexions. Price 50 cents and $1.00 per bottle. Mail orders filled. It may be obtained only at our store. —The Rexall Store. John W. Carroll.
